# Facts About Directory Advertising

## It Is the Only

Advertising that is not "hit or miss" from the fact that it can always be found when wanted

## It Is the Only

Advertising medium that has no competition and is used by practically the whole community and is not used for kindling purposes a short time after issued—nor is it read once and thrown away

## It Is the Only

Advertising which is on the job 365 days in a year and in many establishments, 24 hours a day

## It Is the Only

Advertising medium where you can advertise your goods with absolute certainty that the public can find this information when desired

## It Is the Only

Advertising medium where you would look and expect to find what you want when you want it

## It Is the Only

Advertising medium that represents every business house in the City, and to omit your sign therefrom is like neglecting to place your sign in front of your place of business

**THE CITY DIRECTORY**

Is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. The classified list in the City Directory is the best Buyers' Guide on earth. A modern up to date method of getting what you want, when you want it.
