Will Make Walking A Pleasure

Will make you forget there are such things as hard pavements and slippery sidewalks.

Absorbing the jar of countless steps, they add a buoyancy--a confident swing to your walk--and outlast the rest of the shoe.

Ask for them at your Shoe Shop and be sure to get DENMEADS.

Furniture of Service and Satisfaction at **THE KIRK CO.** "Plenty Of Credit" "Just Think Of It"

It's because it turns over so far for the user, that it turns over so fast for the dealer.

THE GENERAL TIRE

sprang into popularity by delivering service with a capital "S."

"Goes a Long Way to Make Friends"

Three Groups of General Tires

The GENERAL Cord Tire—the last word in cord construction—gives double the wear

The GENERAL Fabric Tire—the tire that made us famous—Guaranteed for 5000 miles—does not need its guarantee

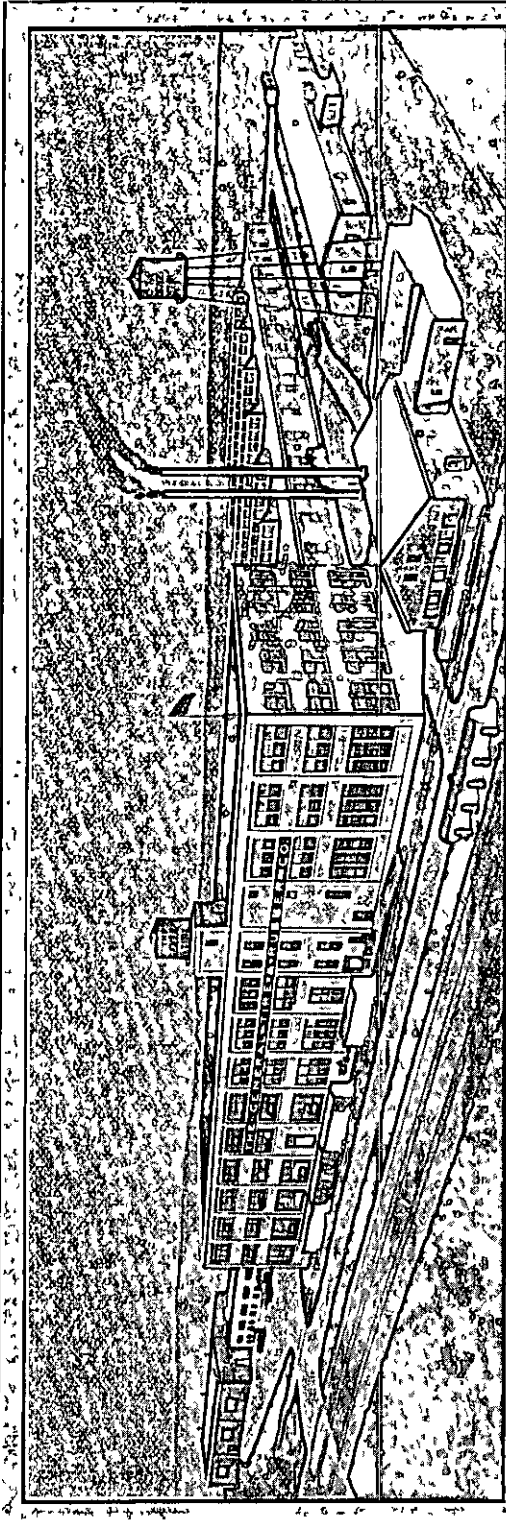

The GENERAL Jumbo Tire—the new oversize tire for Fords, Chevrolets and other light pleasure cars with 30x31-2 rims. Has the big air space of a 31x4. It is guaranteed for 5000 miles—goes far beyond

The General Tire & Rubber Co. has no branches to compete with the independent tire agent. The General is a moderate-priced tire, guaranteed for 5000 miles. Those eight, nine and even ten thousand miles the user is getting out of it so regularly make him feel the solid satisfaction that means his lasting good will for the dealer.

General performances could not possibly be attained by anything short of the highest quality of designing, materials and workmanship.
