The First Place the Buying Public Goes!

Why the City Directory first? It saves time. The ads are classified. Your customers find you instantly. It's the logical place for them to go because it's an index to the city.

Beat Them To It--Advertise in the NEW CITY DIRECTORY

now being compiled. Thousands upon thousands will consult it for a whole year. The price of space is so small, compared with the valuable publicity you get, that you can't afford to be left out.
