## Facts About Directory Advertising

It Is the Only

Advertising

that is not "hit or miss" from the fact that it can always be found when wanted.

It Is the Only

Advertising

medium that has no competition and is used by practically the whole community, and is not used for kindling purposes a short time after issued,—nor is it read once and thrown away.

It Is the Only

Advertising

which is on the job 365 days in a year and, in many establishments, 24 hours a day.

It Is the Only

Advertising

medium where you can advertise your goods with absolute certainty that the public can find this information when desired.

It Is the Only

Advertising

medium where you would look and expect to find what you want when you want it.

It Is the Only

Advertising

medium that represents every business house in the City, and to omit your sign therefrom is like neglecting to place your sign in front of your place of business.

## Advertising Akron

Copies of the Akron City Directory are placed in Directory Libraries throughout the United States and Canada. The publishers are doing everything possible to broadcast Akron as a most desirable business and residential city. This is made possible by the liberal co-operation of the public spirited citizens as reflected by the fine display of advertisements.
