Special Collections Division  
Akron-Summit County Public Library  
60 S. High Street, Akron, Ohio 44326  
speccollections@akronlibrary.org

The Special Collections Division of the Akron-Summit County Public Library and the Summit County Chapter of the Ohio Genealogical Society have partnered in an effort to compile information on all known Summit County cemeteries and to digitize all available transcriptions.

The list of cemeteries below includes current contact information, if available, in the left column below the cemetery name and any resources that Special Collections has about the cemetery or its burials in the right column. Most books can be found in aisle 5A, and the Vertical Files are in aisle 1A. The Cemetery Map Case is located in the center of the Special Collections area next to the card catalog. You may also wish to check the book *Ohio Cemeteries 1803-2003* in aisle 3A and at the Reference Desk.

For additional cemetery information, such as location, current status, contact information, maps, photographs, history, unique features, GPS coordinates, Chapter publications of transcriptions and burial records, and transcriptions for cemeteries currently identified as “lost or endangered,” please visit the Chapter’s cemeteries overview page at <http://www.acorn.net/gen/cemetery.html>.
