

**Gaining remote access to the Heritage Quest database through the  
Akron-Summit County Public Library website**

Go to: **www.akronlibrary.org**

Click on: **Databases & Websites.**

From either the Genealogy and Local History list or the alphabetical list of databases, select **Heritage Quest.**

Enter the number under the barcode on the back of your library card and click **Submit.**

Make sure Akron-Summit County Public Library is selected and click **Submit.**

**If you have a problem getting into the database by the instructions above, there is another way to try:**

Go to: **www.akronlibrary.org**

Click on: **Databases & Websites.**

Click on: **OPLIN's OneSearch** at the bottom of the page.

This will open up the **Ohio Public Library Information Network** website. On this website, in the center of the screen, click on the **Locally Purchased Databases** tab.

Type Akron and then select a location.

Click on: **Heritage Quest|ProQuest.**

Enter the number under the barcode on the back of your library card and click **Submit.**

Make sure Akron-Summit County Public Library is selected and click **Submit.**
