BIOGRAPHICAL NOTE: The Akron Crime Clinic, patterned after the Cleveland Crime Clinic, was founded in October 1937 by Capt. Tom Johnson of the B&O Railroad. Its membership consists of those employed by or connected with law enforcement, and its purpose is to exchange information about local crime and law enforcement issues and collaborate on current cases. It has since become more of a social organization in nature, but continues to be active with more than 200 members. Its most current newsletters may be found online at <http://www.metropolitancrimeclinic.org/InfoShare.html> (as of November 16, 2009).

SCOPE AND CONTENT: This collection consists primarily of bulletins (later called newsletters) and minutes of the meetings of the Akron Crime Clinic, 1937-1977. There are also a few newspaper clippings about the organization 1947-1953; scattered membership roster booklets 1959-1968; scattered documents 1988-1996, and correspondence, membership applications, and miscellaneous documents from various years. The collection also includes narrative histories of the Akron Crime Clinic written for the 1000<sup>th</sup> meeting in 1993.
